

CITY OF TYLER

NON-CITY RESIDENT BRANCH SITE POLICY

The City of Tyler authorizes the non-city residential use of the Branch site to users upon the following conditions:

Non-City users must pay an annual fee of **\$50** payable at City Hall for the use of the branch site during the summer months. This fee **MUST** be paid in advance or the user will be charged double the fee.

Only branches and leaves are accepted. It is the responsibility of the user to make sure branches and leaves are placed in the correct spot and done so in a neat manner. If you are unsure of where to pile branches, please contact the City Utility department. If a user does not follow all rules and guidelines, they may be banned from utilizing the site.

Absolutely **NO** Wood Logs, Fence Posts, Stumps, Root balls, Stump Grindings, Landscaping Materials, Concrete, Plastic Bags, Municipal Solid Waste, Hazardous Waste, Appliances, Electronics, Tires, Concrete, Fluorescent Bulbs or Ballasts will be accepted. This includes all other items that are banned from the landfill or prohibited by Federal or State Solid Waste rules.

The Branch Site will be closed during the winter months.

This policy form **MUST** be completed annually by the person requesting authorization to utilize the Branch Site.

Each paid user will receive a facility permit to hang in their vehicle when utilizing the branch site.
