

CITY OF TYLER DUMPSTER POLICY

The City of Tyler will loan out dumpsters to local residents for special circumstances when a larger garbage container is required.

The City will bill the customer \$30.00 every time the dumpster is emptied. For every additional 30 days the customer keeps the dumpster, a \$36.00 fee will be charged to the customer. If the dumpster is returned and rented out again within the next 30 days the customer will be charged the \$36.00 fee.

Absolutely NO Hazardous Waste, Appliances, Electronics, Tires, Concrete, Fluorescent Bulbs or Ballasts will be accepted. This includes all other items that are banned from the landfill or prohibited by Federal or State Solid Waste rules.

Dumpsters that are heaping full or have items hanging out will not be emptied.

Dumpsters will be delivered to a location near the curb and must not be moved from the place they were delivered to. If a dumpster is moved to a place where the garbage truck cannot reach it, it will not be picked up.

It is the responsibility of the customer to contact the City Hall for dumping and pick-up requests. Phone: 507-247-5556.

This policy form **MUST** be completed by the person who is responsible for the dumpster bill and returned to the city prior to receiving a dumpster.
