- i. I have the consulted with the City's *chief legal counsel* regarding the current situation.

Based on the above findings, I determine has follows:

2. Due to the current pandemic and state of emergency declared under Minnesota Statutes, Chapter 12, it is not practical or prudent for the City Council ("City Commissions") to conduct in person meetings.
3. Due to the current pandemic and state of emergency declared under Minnesota Statutes, Chapter 12, it is not feasible for the public to be present at the physical meeting site as the *city space cannot accommodate social distancing*.
4. Until further notice, or until such time as the State of Minnesota determines to no longer be in a state of emergency, all meetings of City Commissions governed by Minnesota Statute, Section 13D shall be conducted by telephone or other electronic means.
5. All meetings of City Commissions shall comply with the requirements of Minnesota Statute, section 13D.021.
